## JUNE GENERAL MEETING

This year the June RIA Picnic will be at Jacques Cartier State Park instead of the traditional meeting place at the Rossie Community Center. This is not because of any dissatisfaction with the Center, which has always been a wonderful and comfortable place to meet, but a desire to be able to add swimming to the day's sports. So come expecting everything we usually do (volleyball, soft ball, etc.) and bring stuff to swim in, too.

- \* Date - June 24 (raindate July 1)
- \* Time - Noon; lunch at 1:00 P.M.
- \* Place - Jacques Cartier State Park (drive straight in toward the picnic and swimming area; then head for "the point")
- \* Potluck - bring food to share and your own utensils
- \* There is a \$3.50 charge per carload, so that's an incentive to carpool.
