

# TELEPHONE TREE UPDATE

When calling people on the tree, make sure they realize that you are calling them through the RIA telephone tree and that they, in turn, may have calls to make.

Think you've got too many calls to make? Want to talk to more people? Different people? Have you recently gotten a phone? Gotten rid of your phone? Got a new number? Have I spelled your name wrong (again)? Please send corrections, additions, and changes to Jane Plastino, Route 3, Canton or Valerie Ingram, Route 2, Box 260, Canton.
